**Some of the major projects that we have been involved in.**

**1985**

SD Department of Transportation—Hwy. 73 south of Kadoka, SD—Grading, and Interim Surfacing—1,000,000 cy of excavation, total project amount \$1,500,000.00

SD Department of Transportation—Hwy. 18 from Hot Springs, SD west approximately 3 miles—Grading and Surfacing—650,000 cy of excavation and rock excavation, total project amount \$3,300,000.00

**1986**

WY Department of Environmental Quality Reclamation projects—near Colony, WY—Done concurrently—abandoned bentonite mines. First—531,000 cy of excavation, total project amount \$700,000.00—Second—505,000 cy of excavation, total project amount \$800,000.00

SD Department of Transportation—Hwy. 18 from Edgemont, SD to the Wyoming state line—Grading and Interim Surfacing—1,100,000 cy of excavation, total project amount \$2,600,000.00

WY Department of Environmental Quality Reclamation projects—Colony, WY—Done concurrently—abandoned bentonite mines. First—168,000 cy of excavation, total project amount \$450,000.00 Second—160,000 cy of excavation, total project amount \$225,000.00. Third—600,000 cy of excavation, total project amount \$785,000.00

**1987**

SD Department of Transportation—Hwy. 73 from Faith, SD south. Grading and Interim Surfacing—1,500,000 cy of excavation, total project amount \$3,000,000.00

WY Department of Environmental Quality Reclamation project—Colony, WY—abandoned bentonite mine—2,000,000 cy of excavation, total project amount \$2,000,000.00

WY Department of Environmental Quality Reclamation project—Upton, WY—abandoned bentonite mine—400,000 cy of excavation, total project amount \$600,000.00

## 1988

WY Department of Environmental Quality Reclamation projects—Upton, WY—done concurrently--abandoned betonite mines. First—500,000 cy of excavation, total project amount \$855,000.00. Second—475,000 cy of excavation, total project amount \$570,000.00

City of Rapid City—Rapid City, SD—Site Development—Walpole Heights—Grading—total project amount \$200,000.00

SD Department of Transportation—Faulk County—Grading—800,000 cy of excavation, total project amount \$2,700,000.00

SD Department of Transportation—Custer County—Box Culverts and Grading—total project amount \$300,000.00

SD Department of Transportation—State Hwy. 34 in Meade County—60,000 cy of excavation, total project amount \$260,000.00

SD Department of Transportation—County Road (Nemo Road) Pennington County—Grading, Drainage, and Asphalt Concrete Surfacing—Rock Job—60,000 cy of excavation and rock excavation, total project amount \$700,000.00

SD Department of Transportation—US Hwy. 16A in Custer County—Structure and Approach Grading—12,000 cy of excavation, total project amount \$425,000.00

## 1989

SD Department of Transportation—State Hwy. 36 in Custer County—Structures and Grading—(Rock Job)—88,000 cy of excavation and rock excavation, total project amount \$1,030,000.00

SD Department of Transportation—New Underwood, SD—Meade County—Box Culvert—37,500 cy of excavation, total project amount \$120,000.00

City of Rapid City—Rapid City, SD—Robbinsdale Park—Grading, Topsoil, and Seeding—2,500 cy of excavation, total project amount \$60,000.00

SD Department of Transportation—US Hwy. 18 in Fall River County—Erosion Control—1,200 cy of excavation, total project amount \$157,000.00

SD Department of Transportation—Butte and Haakon Counties—Bridge Structure and Approach Grading—10,500 cy of excavation, total project amount \$2,300,000.00

SD Department of Transportation—US Hwy. 16 in Custer County—Flatten Backslopes—45,000 cy of excavation, total project amount \$700,000.00

## **1990**

SD Department of Transportation—7 miles North of Quinn, SD—Pennington county—Approach Grading and Box Culvert—4,000 cubic yards of excavation, total project amount \$120,000.00

Bishop Road in Gillette, WY—Carter Mining Company (Caballo Mine)—Amax Coal Company (Belle Ayre Mine)—Grading—1,200,000 cubic yards of excavation, total project amount \$970,840.00

City of Belle Fourche—Belle Fourche, SD—Wetlands Sewage Ponds Project—Butte County—Grading and Related Structure—270,000 cubic yards of excavation, total project amount \$757,300.00

SD Department of Transportation—Pennington County—Approach Grading and Structures—(2)Bridges—10,000 cubic yards of excavation, total project amount \$290,300.00

SD Department of Transportation—Center of the Nation—Butte County—Box Culvert Repair—total project amount \$50,000.00

SD Department of Transportation—Butte County—Structure Replacement—total project amount \$56,000.00

## **1991**

SD Department of Transportation—Custer County—Structures and Approach Grading—(3)Box Culverts—26,700 cubic yards of excavation, total project amount \$498,500.00

SD Department of Transportation—Butte County—Grading and Gravel Surfacing—196,600 cubic yards of excavation, total project amount \$205,600.00

SD Department of Transportation—Pennington County—Structure and Approach Grading—1,200 cubic yards of excavation, total project amount \$205,600.00

SD Department of Transportation—Meade County—(Subcontract), for Hills Material Company—Grading and Asphalt Concrete Surfacing—47,800 cubic yards of excavation, total project amount \$75,000.00

Pennington County Highway Department—Pennington County—Repair of Nemo Road Slide Area (Rock Job)—56,000 cubic yards of excavation and rock excavation, total project amount \$393,044.00

SD Department of Transportation—Custer County—Grading, Structure, and Surfacing—  
State Hwy. 36—30,000 cubic yards of excavation, total project amount \$480,000.00

## **1992**

SD Department of Transportation—Lawrence County—Grading, Surfacing, and  
Structure on Spearfish Creek Bridge—Spearfish, SD—4,200 cubic yards of excavation,  
total project amount \$470,500.00

SD Department of Transportation—Custer County—Grading, RC Box Culverts, and  
Interim Surfacing on US 385 from Pringle to Custer, SD—1,128,950 cubic yards of  
excavation, total project amount \$5,908,500.00

SD Department of Transportation—Custer County—Water and Sewer Lines Relocation  
on US 385 in Custer County—total project amount \$141,980.00

SD Department of Transportation—Fall River & Custer County—Grading and Interim  
Sufracing on US385—716,587 cubic yards of excavation and rock excavation, total  
project amount \$2,300,000.00

## **1993**

Pennigton County Highway Department—Pennington County—Rapid City, SD—  
Grading, Gravel, Base Course and Bituminous Paving on County Road C-468 Phase II—  
57,200 cubic yards of excavation, total project amount \$382,600.00

SD Department of Transportation—Pennington County—Grading, Structures and  
Asphalt Concrete Surfacing on US Hwy. 16—104,700 cubic yards of excavation, total  
project amount \$1,041,900.00

Bureau of Indian Affairs—Shannon County—Sharps Corner to Rockyford, Pine Ridge  
Reservation—Excavation, Grading, and Structure—400,000 cubic yards of excavation,  
total project amount \$899,500.00

## **1994**

City of Rapid City—Rapid City, SD—Rapid Creek Floodplain Berm—Pennington  
County—total project amount \$95,000.00

SD Department of Transportation—Pennington County—(Subcontract), for Stanley J  
Johnsen Concrete Contractor, Inc—Grading, Structures, and PCC Paving—total project  
amount \$593,000.00

SD Department of Transportation—Pennington County—(Subcontract), for Stanley J Johnsen Concrete Contractor, Inc—PCC Pavement for Turn Lane—total project amount \$75,500.00

Skyline Professional Park—Rapid City, SD—Pennington County—Site Grading—55,200 cubic yards of excavation, total project amount \$116,650.00

SD Department of Transportation—Meade County—Structure and Approach Grading—20,000 cubic yards of excavation, total project amount \$150,000.00

City of Rapid City—Rapid City, SD—Rapid City Regional Airport—Pennington County—Runway Safety Area Grading—79,800 cubic yards of excavation, total project amount \$208,500.00

Diocese of Rapid City—Rapid City, SD—St. Thomas More High School—Pennington County—(Subcontract), for Mousel Construction, Inc—Building Site Grading—total project amount \$44,500.00

Walmart Store #1604—Walmart Facilities Construction Location—Pennington County—(Subcontract), for Hills Materials Company—Site Grading—400,000 cubic yards of excavation, total project amount \$491,000.00

SD Department of Transportation—Lawrence County—(Subcontract), for Stanley J Johnsen Concrete Contractor, Inc—PCC Paving Underpass—total project amount \$107,917.00

Sodak Gaming, Inc—Pennington County—(Subcontract), for Dean Kurtz Construction Company—Site Grading—total project amount \$74,657.00

## **1995**

SD Department of Transportation—Butte County—(Subcontract), for Stanley J Johnsen Concrete, Inc—Intersection Improvement—Grading & Surfacing—73,790 cubic yards of excavation, total project amount \$172,500.00

Rapid City Regional Hospital—Ambulatory Surgical Center—Pennington County—(Subcontract), for Dean Kurtz Construction Company—Site Grading—16,000 cubic yards of excavation, total project amount \$81,500.00

SD Department of Transportation—Pennington County—(Subcontract), for Stanley J Johnsen Concrete Contractor, Inc—Grading, PCC Paving, Curb & Gutter & Storm Sewer—159,200 cubic yards of excavation, total project amount \$1,320,750.00

City of Rapid City—Pennington County—(Subcontract), for Hills Material Company—Material Recovery Facility, Paving and Site Utilities—21,500 cubic yards of excavation, total project amount \$136,690.00

Wyoming Department of Environmental Quality project—Colony, WY—abandoned bentonite mine—Crook County—110,000 cubic yards of excavation, total project amount \$442,721.00

SD Department of Transportation—Pennington County—(Subcontract), for Stanley J Johnsen Concrete, Inc—Grading—3,500 cubic yards of excavation, total project amount \$132,900.00

Sturgis Industrial Expansion Corporation—Meade County—(Subcontract), for Hills Materials Company—Sturgis Industrial Park Road & Utilities Improvement—4,800 cubic yards of excavation, total project amount \$84,500.00

City of Rapid City—Pennington County—(Subcontract), for R.C.S Construction, Inc—Canyon Lake Restoration, Phase I—total project amount \$804,300.00

## **1996**

SD Department of Transportation—Jackson County—(Subcontract), for Heavy Constructors, Inc—Structure, Grading, & AC Surfacing—54,901 cubic yards of excavation, total project amount \$235,300.00

SD Department of Transportation—Meade County—Grading and Asphalt Concrete Surfacing—5,518 cubic yards of excavation, total project amount \$120,810.00

SD Department of Transportation—Pennington County—(Subcontract), for Stanley J Johnsen Concrete, Inc—Grading, Curb & Gutter, Structure Widening & PCC Paving—32,893 cubic yards of excavation, total project amount \$684,663.00

Bureau of Reclamation—Butte County—South Canal Lining—Reach 4, Belle Fourche Unit—approximately 3 miles southeast of Nisland, SD—56,470 cubic yards of excavation, total project amount \$749,105.60

City of Rapid City—Rapid City Regional Airport—Pennington County—Reconstruction of Runway 14-3—(Subcontract), for James Cape & Sons, Inc—22,305 cubic yards of excavation, total project amount \$163,708.00

SD Department of Transportation—Pennington County—Rock Removal, Asphalt Concrete Surfacing, and Curb & Gutter—Parking Lot/Turn Out SD 244 at Mt. Rushmore—total project amount \$183,500.00

Sodak Gaming, Inc—Pennington County—(Subcontract), for Dean Kurtz Construction Company—Site Grading—total project amount \$70,307.00

Westview Estates—Pennington County—(Subcontract), for Lage Development Company, Inc—Site Grading—total project amount \$99,986.00

Black Hills Visitor Center—Pennington County—(Subcontract), for Mac Construction Company, Inc—Site Grading—total project amount \$191,042.00

## **1997**

SD Department of Transportation—Custer County and Pennington County—Grading, Interim Surfacing, & Structures—3,550,000 cubic yards of excavation, total project amount \$13,277,485.00

SD Department of Transportation—Fall River County—Grading, Structures, Base Course and Asphalt Surface Treatment—1,052,270 cubic yards of excavation, total project amount \$5,437,752.00

Menards Development—Rapid City, SD—Pennington County—(Subcontract), for Heavy Constructors, Inc—Earthwork & Excavation Structure—628,000 cubic yards of excavation, total project amount \$724,500.00

## **1998**

Rapid City Economic Development—Rapid City, SD—Pennington County—Rushmore Industrial Park Expansion—Overlot Grading Project—279,500 cubic yards of excavation, total project amount \$442,500.00

Signature Development—Black Gap Ranch—Rapid City, SD—Pennington County—Site Grading & Water Line—220,000 cubic yards of excavation, total project amount \$354,000.00

SD Department of Transportation—Fall River County—Structure & Approach Grading—38,657 cubic yards of excavation, total project amount \$106,800.00

## **1999**

City of Rapid City—Rapid City, SD—Pennington County—Southwest Connector Road & Highway 16—Grading, Surfacing, Lighting, Signals, Pavement Marking, ROW—519,235 cubic yards of excavation, total project amount \$3,729,805.00

SD Department of Transportation—Custer and Pennington Counties—(Subcontract), for Stanley J Johnsen Concrete Contractor, Inc—PCC Paving, Cold Milling, Asphalt, Asphalt Concrete Resurfacing—24,500 cubic yards of excavation, total project amount \$138,800.00

SD Department of Transportation—Custer County—US Highway 385—Grading & Interim Surfacing—1,195,419 cubic yards of excavation, total project amount \$7,285,350.00

SD Department of Transportation—Pennington County—(Subcontract), for Heavy Constructors, Inc—Grading, Structures, & Surfacing—859,426 cubic yards of excavation, total project amount \$2,506,800.00

## **2000**

SD Department of Transportation—Lawrence & Meade Counties—US Highway 14A—Grading, Structures & AC Surfacing (Rock Job)—477,301 cubic yards of excavation and rock excavation, total project amount \$8,446,375.00

Black Hills Power & Light Company—Rapid City, SD—Pennington County—Substation Pad—Grading & Gravel Surfacing—92,700 cubic yards of excavation, total project amount \$136,850.00

Black Hills Orthopedic and Spine Center—Rapid City, SD—Pennington County—Site Grading—190,000 cubic yards of excavation, total project amount \$192,000.00

SD Department of Transportation—Pennington County—Nemo Rd.—413,000 cubic yards of excavation and rock excavation—Grading, AC Surfacing & Structures—total project amount \$5,100,000.00

City of Sturgis—Meade County—Sturgis Irrigation, Storage Pond—Grading storage pond, riprap and piping—total project amount \$668,000.00

## **2001**

SD Department of Transportation—Whitewood, SD—Lawrence County(Subcontract) for SJJCCI—I-90 EBL—concrete removal, grading & gravel—total project amount \$1,300,000.00

SD Department of Transportation—Custer County—Highway 36—grading, structures & AC Surfacing—566,000 cubic yards of excavation, total project amount \$5,300,000.00

Lawrence County—Spearfish, SD—Black Hills Airport—(Subcontract) for Hills Material—Grading, total project amount \$59,000.00

Homestake Mining Co—Lawrence County—reclamation project—total project amount \$750,000.00

SD Department of Transportation—Pennington County—(Subcontract) for Heavy Constructors Inc—SE Connector Phase I, grading & misc.—1,200,000 cubic yards of excavation, total project amount \$2,700,000.00

## 2002

SD Department of Transportation—Lawrence County—Exit 8—(Subcontract) for SJJCCI—Grading & gravel surfacing—188,000 cubic yards of excavation, total project amount \$650,000.00

SD Department of Transportation—Pennington County—Exit 67—(Subcontract) for SJJCCI—Grading & gravel surfacing—430,000 cubic yards of excavation, total project amount \$830,000.00

Pennington County Highway Department—Pennington County—Artial Road—(Subcontract) for SJJCCI—Grading & gravel surfacing—140,000 cubic yards of excavation, total project amount \$810,000.00

Stoney Creek Sub-Division Phase II—Pennington County—(Subcontract) for Mainline Excavating—Site grading—100,000 cubic yards of excavation, total project amount \$180,000.00

SD Department of Transportation—Custer County—Highway 79—Heartland Express—Grading, Structures & AC Surfacing—1,600,000 cubic yards of excavation, total project amount \$7,800,000.00

Doyle Estes—Pennington County—Heartland Retail Center—site grading—160,000 cubic yards of excavation, total project amount \$230,000.00

## 2003

Custer County Highway Department—Custer County—Pleasant Valley Road—Grading & gravel surfacing—30,000 cubic yards of excavation, total project amount \$375,000.00

SD Department of Transportation—Pennington County—Highway 44—(Subcontract) for SJJCCI—Grading & gravel surfacing—30,000 cubic yards of excavation, total project amount \$416,000.00

SD Department of Transportation—Pennington County—Omaha St—(Subcontract) for SJJCCI—Concrete removal, grading & gravel—90,000 cubic yards of excavation, total project amount \$3,100,000.00

Pankrantz Grading—Pennington County—site grading—340,000 cubic yards of excavation, total project amount \$300,000.00

SD Department of Transportation—Custer County—Highway 79—Grading & Structures—1,800,000 cubic yards of excavation, total project amount \$6,700,000.00

Pennington County—Eastridge Estates—(Subcontract) for Mainline Excavation—Grading & topsoil—115,000 cubic yards of excavation, total project amount \$200,000.00

SD Department of Transportation—Pennington County—Exit 66—Ramp removal & slope flattening—42,000 cubic yards of excavation, total project amount \$208,000.00

EAFB—Pennington Count—EAFB Taxiway Repair—(Subcontract) for SJJCCI—Remove asphalt & grading—total project amount \$90,000.00

## **2004**

SD Department of Transportation—Meade and Pennington Counties—Exit 55—(Subcontract) for SJJCCI—Concrete removal, grading & gravel—500,000 cubic yards of excavation, total project amount \$2,300,000.00

SD Department of Transportation—Pennington County—SE Connector Phase II—(Subcontract) for Heavy Constructors Inc—Grading & gravel surfacing—2,000,000 cubic yards of excavation, total project amount \$5,800,000.00

City of Rapid City—Pennington County—5<sup>th</sup> Street extension & Catron Blvd—grading & AC Surfacing—700,000 cubic yards of excavation, total project amount \$5,500,000.00

Stoneridge LLC—Eastridge Grading—Pennington County—site grading—1,100,000 cubic yards of excavation, total project amount \$1,200,000.00

SD Department of Transportation—Meade County— State Exit 32—(Subcontract) for Heavy—Grading & gravel surfacing—600,000 cubic yards of excavation, total project amount \$2,700,000.00

SD Department of Transportation—Meade County— County Exit 32—(Subcontract) for Heavy—Grading & gravel surfacing—100,000 cubic yards of excavation, total project amount \$450,000.00

## **2005**

City of Rapid City—Pennington County—Haines Ave—(Subcontract) for SJJCCI—Grading & gravel surfacing—50,000 cubic yards of excavation, total project amount \$600,000.00

SD Department of Transportation—Pennington County—Exit 60(Subcontract) for Heavy Constructors—grading & gravel surfacing—1,400,000 cubic yards of excavation, total project amount \$4,400,000.00

B & I Properties—Meade County—Site Grading—total project amount \$105,000.00

Stoney Creek South—Pennington County—Site Grading—250,000 cubic yards of excavation, total project amount \$658,691.00

SD Department of Transportation—Lawrence County—Highway 85, Shoulder Erosion Control, total project amount \$249,543.80.

SD Department of Transportation—Perkins County—Highway 73, Ditch Grading, total project amount \$169,534.25.

Pennington County Highway Department—Pennington County—Radar Hill Road—Grading & Asphalt Surfacing--160,000 cubic yards of excavation, total project amount \$1,357,916.49

SD Department of Transportation—Custer & Fall River Counties—Maverick Junction--Grading, Structures & PCC Pavement—1,500,000 cubic yards of excavation, total project amount \$8,699,151.01

SD Department of Transportation—Pennington County—Dusters Corner—(Subcontract) for Swingen Construction—Grading & Gravel—total project amount \$320,037.98

## **2006**

American Colloid Company—Crook County—Stripping bentonite pits—1,500,000 cubic yards, total project amount \$ 1,125,000.00

Custer County Highway Department—Custer County—Sidney Park Road—Grading and Asphalt Surfacing—50,000 cubic yards of excavation, total project amount \$950,589.96

SD Department of Transportation—Pennington County—Eglin Road—Grading, Curb & Gutter, Storm Sewer & Surfacing—62,000 cubic yards of excavation—total project amount \$1,839,585.00

SD Department of Transportation—Pennington County—Eglin Road—Watermain, Sanitary Sewer & Grading—157,000 cubic yards of excavation—total project amount \$819,995.70

US Department of Interior—Custer County—Wastewater Treatment Facility—Wind Cave National Park (Subcontract) for Mainline Contracting—Site Preparation & Demo, Earthwork—total project amount \$258,800.00

SD Department of Transportation—Meade County—Interstate Crossovers & Ramp Detours—total project amount \$1,047,239.00

SD Department of Transportation—Custer/Fall River Counties—Maverick Junction(Subcontract) for Fred Carlson Company LLC—Gravel and Base Course—total project amount \$750,794.60

Midland Rushmore, LLC—Pennington County—Rushmore Crossing—Grading and Site Preparation—1,300,000 cubic yards of excavation—total project amount \$2,146,999.65

Forest Products—Pennington County—grade storage site—total project amount \$90,462.25

OTS Inc.—Pennington County—Catron Crossing (Subcontract) for Grizzly Excavation, Inc.—Grading, Strip & Stockpile Topsoil—total project amount \$164,081.00

WY Department of Transportation—Campbell County—Gillette-Moorcroft Bridge (Subcontract) for Heavy Constructors—166,400 cubic yards of excavation—total project amount \$959,074.00

SD Department of Transportation—Pennington County—Exit 61 (Subcontract) for SJJCCI—Grading and Gravel Surfacing, total project amount \$4,253,933.36

## **2007**

SD Department of Transportation—Meade County—Piedmont Service Road—Grading, Structures, & Asphalt Surfacing—235,000 cubic yards of excavation—total project amount \$9,050,393.56

DM & E—Pennington County—Flood project near Hermosa—repairing tracks—total project amount \$149,276.82

SD Department of Transportation—Pennington County—Highway 44 (Subcontract) for Heavy Constructors—Grading & Gravel Surfacing--278,603 cubic yards of excavation—total project amount \$6,621,550.30

Copperfield Vistas, LLC—Pennington County—Copperfield Vistas Subdivision Phase I—352,500 cubic yards of excavation—total project amount \$556,160.00

DM & E—Pennington County—South Rail Yard—setting & switching tracks—total project amount \$128,322.07

## **2008**

Department of Game, Fish & Parks—Custer County—Custer Wastewater Treatment Facility Expansion—Grading, Riprap and Liner—total project amount \$1,440,837.90

East Mall Overlot Grading—Pennington County—Grading & Site Preparation—180,000 cubic yards of excavation—total project amount \$258,614.40

SSST LLC—Pennington County—Grading and Storm Sewer—1,052,000 cubic yards of excavation—total project amount \$2,517,000.00

SD Department of Transportation—Meade County—Exit 30 (Subcontract) for Heavy Constructors—Grading & Gravel Surfacing—53,000 cubic yards of excavation—total project amount \$2,095,863.60

## **2009**

SD Department of Transportation—Fall River County—Maverick Junction—Sub for Heavy Constructors, Inc. Grading & Gravel Surfacing—1,401,000 cubic yards of excavation—total project amount \$3,556,527.20

A/R Group—Pennington County—Channel Fill and Pipe—16,100 cubic yards of excavation—total project amount \$111,792.50

SD Department of Transportation –Custer County—SD Highway 40—Grading, AC Surfacing & Misc.—90,000 cubic yards of excavation—total project amount \$1,615,787.85

SD Department of Transportation—Fall River County—Highway 71—Ardmore—Grading, Surfacing & Misc.—45,000 cubic yards of excavation—total project amount \$345,408.55

SD Department of Transportation—Fall Rover County—Highway 18—Sub for Heavy Constructors, Inc.—Grading, Box Culverts & PCC Pavement—360,000 cubic yards of excavation—total project amount \$2,647,802.60

## **2010**

Hilton Garden Inn—Pennington County—Sub for Heavy Constructors, Inc. 95,000 cubic yards of excavation—total project amount \$245,202.90

SD Department of Transportation—Meade County—Vanocker Canyon—6,300 cubic yards of excavation—total project amount \$163,795.03

SD Department of Transportation—Butte, Meade County—Scour Protection—total project amount \$98,293.20

City of Rapid City – Pennington County – RC Regional Airport Taxiway A – Sub for Stanley J, Johnsen Concrete Contractor – total project amount \$1,544,116.75

## **2011**

SD Department of Transportation – Lawrence County – Sub for Grangaard Construction Inc. - - 249,952 cubic yards of excavation/rock – total project amount \$1,500,723.10

Pete Lien & Sons, Inc. – Fall River County – Stripping Overburden – total project amount \$110,172.85

The Evangelical Lutheran Good Samaritan Society – Pennington County – Sub for Heavy Constructors – 142,300 cubic yards of excavation – total project amount \$455,930.00

SD Department of Transportation – Fall River County – US Highway 18 – Oelrichs – Grading & Structures – 1,329,000 cubic yards of excavation – total project amount \$5,355,443.72

SD Department of Transportation – Pennington County – Radar Hill Road – Grading & Asphalt Concrete Surfacing – 274,000 cubic yards of excavation – total project amount \$2,125,592.36

SD Department of Transportation – Pennington County – Sub for Stanley J. Johnsen Concrete Contractor, Inc. - Mall Drive – 85,000,000 cubic yards of excavation – total project amount \$666,004.00

SD Department of Transportation – Meade, Perkins County – Highway 73 – Shoulder Widening – 2,071,788 cubic yards of excavation – total project amount \$10,799,000.00

## **2012**

SD Department of Transportation – Meade County – Sub for Heavy Constructors – Exit 52 – 239,971 cubic yards of excavation – total project amount \$1,630,682.60.

CRST Department of Transportation – Ziebach County – BIA Route 12 – 450,000 cubic yards of excavation – total project amount \$2,520,664.05

Wharf Resources – Lawrence County – SD Highway 473 – 680,880 cubic yards of unclassified excavation/Rock excavation – total project amount \$7,094,394.78

SD Department of Transportation – Lawrence County – Sub for Heavy Constructors – Exit 10 to 17 – 82,370 cubic yards of excavation – total project amount \$3,654,640.50

## **2013**
